

## “Living For the Game” Scholarship Application

The “*Living For the Game*” scholarship award is a one-year Scholarship in Honor of Eloi Vasquez, a gifted soccer player and committed student, son, brother, friend and teammate. Eloi honored the game both on and off the field with integrity and passion. His contributions to the community and the impact he had on so many will not be forgotten. You can find out more about Eloi and the scholarship by visiting [www.eloirun.org](http://www.eloirun.org).

The scholarship is awarded annually to Marin FC scholarship recipient(s) that embody Eloi’s dedication to family, strength of character, commitment to personal growth and academics, and passion for the game. The scholarship committee, which includes members of Eloi’s family, will review each application carefully and select award recipient(s) based on the applicant’s commitment to the values that were important to Eloi. The scholarship award honors Eloi’s legacy and provides the recipient with a financial aid award to help offset travel costs and team fees. Depending on the quality and number of applications more than one recipient may receive the award in a given year.
