

“Living For the Game” Scholarship Application

The “*Living For the Game*” scholarship award is a one-year Scholarship in Honor of Eloi Vasquez, a gifted soccer player and committed student, son, brother, friend and teammate. Eloi honored the game both on and off the field with integrity and passion. His contributions to the community and the impact he had on so many will not be forgotten. You can find out more about Eloi and the scholarship by visiting www.eloirun.org.

The scholarship is awarded annually to a male or female Marin FC scholarship recipient(s) who embodies Eloi’s dedication to family, strength of character, commitment to personal growth and academics, and passion for the game. The scholarship committee, which includes members of Eloi’s family, will review each application carefully and select an award recipient(s) based on the applicant’s commitment to the values that were important to Eloi. The scholarship award honors Eloi’s legacy and provides the recipient with a monetary award to help offset travel costs and team fees. Depending on the quality and number of applications more than one recipient may receive the award in a given year.

To apply, please review and answer ALL of the questions listed below. Each player applicant is encouraged to work independently and the committee will be cognizant of the applicant’s age when reviewing the applications. There is no requirement to use all the words allowed for each question but please do not exceed the maximum word limits specified. The committee is trying to get a sense of who you are and why the award is important to you, in your own words.

- **Tell us why you have applied for the Eloi scholarship? (Max 200 words)**
- **What five words best describe you?**
- **Write a letter to your teammates that reveal something about you. (Max 250 words)**

Sincerely
The Vasquez-Margolin Family
